DECISION ON ATTORNEY'S FEES AND COSTS¹

On September 26, 2017, Lindsey Denwiddie filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she suffered from a shoulder injury related to vaccine administration ("SIRVA") which meets the Table definition or, in the alternative, was caused-in-fact by the influenza vaccine she received on October 2, 2014. (Petition at ¶¶ 3, 19). On September 14, 2020, a decision was issued awarding compensation to Petitioner based on the parties' stipulation. (ECF No. 62).

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Petitioner has now filed a motion for attorney's fees and costs, dated January 6, 2021 (ECF No. 67), requesting a total award of \$30,288.99. This represents \$28,253.14 in fees and costs incurred by counsel's former firm, McDowell and Morrisette, PA and \$2,035.85 in fees and costs incurred by counsel's current firm Shaheen and Gordon PA. In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred no out-of-pocket expenses. (ECF No. 67-4). Respondent reacted to the motion on January 21, 2021, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case and defers to the Court's discretion to determine the amount to be awarded. (ECF No. 68). Petitioner did not file a reply thereafter.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). **Accordingly, petitioner is awarded the total amount of \$30,288.99³ as follows:**

- **A lump sum of \$28,253.14, representing reimbursement for attorneys' fees and costs, in the form of a check payable jointly to Petitioner and McDowell and Morrisette, PA; and**
- **A lump sum of \$2,035.85, representing reimbursement for attorneys' fees and costs, in the form of a check payable jointly to petitioner and Shaheen and Gordon, PA.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.⁴
IT IS SO ORDERED.

⁴ Pursuant to Vaccine Rule 11(a), the parties may expedite entry of judgment by filing a joint notice renouncing their right to seek review.
